A Photographic History of the Smith Family

Vol. 2: Valentine & Alberta Smith

Nº 5: Jupiter Village, Florida

This two volume set of photograph “albums” tracing the family of two emigrant families from Eastern Europe began with a move from the Old World to the New – from Spisska Star Ves in Slovakia and Hosszu-Laz in Hungary to Trenton, New Jersey. From there the family spread to the four corners of the United States – quite literally – from the northeast (Trenton) to Washington State, Southern California, and Florida. While the 15 albums of Volumes 1 and 2 followed Joseph and Anna (Kutarnia) Smith and their son Valentine “Billy” Smith in Trenton, this album represents a new beginning. Valentine, Dale and Melissa headed south to Florida in the summer of 1979 but this represents just one part of the geographically expanding family. In this album the photographic story continues to expand.
